Queensferry Care
Connecting people with their Community

HOW WE HELP

Day Opportunities: is registered with the Care Inspectorate to provide services for older people who have a diagnosis of dementia or who are socially isolated due to stroke, other illnesses, or long-term health conditions. This service provides an opportunity for older people to meet with others at The Haven or to have one-to-one support in their home/community. Activities include going for a walk or enjoying a catch up with a cup of coffee and a slice of cake, enjoying a visit to a local garden centre, fun games and live music at The Haven.

Supper Club: is for older people with a diagnosis of dementia and their carer /family member. It provides an opportunity to meet with others to enjoy an evening meal.

Ratho Lunch Club: is for older people living in Ratho, Ratho Station or Newbridge. A warm welcome and delicious lunch is offered every 1st and 3rd Thursday of each month at Ratho Community Centre (12noon - 2pm).

Kirkliston Lunch Club: is for older people living in Kirkliston. A warm welcome and delicious lunch is offered on the 4th Thursday of each month at Kirkliston Community Centre (12noon - 2pm).

Befriending: trained volunteers will visit older people who are living alone to offer companionship, a friendly ear and contact with the wider community.

Telephone Befriending: trained volunteers will phone an older person at an arranged time each week to provide friendly conversation and reduce isolation.

Garden Tidy Service: volunteer gardeners work in teams of 2 to maintain older peoples gardens providing vital support in the community.

Driving Service: provides transport for older people to attend local appointments.

Information and Advice: we are a community resource for older people and carers, to access general information particular to their situation as well as having contact details for a wide range of other organisations and services, both locally and nationally.
