The **Almond Supper Club** is for older people with a diagnosis of dementia and their unpaid carers such as; husband, wife, brother, sister or friend of a similar age living in South Queensferry, Ratho, Ratho Station, Dalmeny, Newbridge and Kirkliston.

"When we were invited to join the Supper Club it meant we both got to know many more people, exchange experiences, and make new friends"

The aim of the **Supper Club** is to provide a supportive, friendly and social environment for the carer and the person they care for, to enable them to share some quality time together.

The Supper Club meets either at The Haven or in a local restaurant. This enables people to enjoy a meal in comfortable surroundings, meet others, connect back into community life, and have an opportunity to participate in some fun activities or entertainment.
